FACULTY

-  BONNIE DAVID BUNN, President
B.A., Wake Forest College; M.A., University of N. C.; Post Grad.
at Peabody.
-  LEON PHARR SPENCER, Bursar and Business Manager
B.A., Wake Forest College; Post Grad. in School Administration
at State College, Raleigh.
-  MRS. THELMA HORTON MOWELS, Sec. to Pres. and Bus. Manager
Diploma of Business, Newport News Business College.
-  MRS. ESTELLE S. THIGPEN, Dean of Women
B.A., East Carolina Teachers College.
-  JESSE ELBERT O'CONNELL, Department of Science
B.S. and M.S., Wake Forest College.
-  MARION EUGENE WILLIAMS, Department of French and English
B.A., University of Richmond; M.A., Duke University; Premier
Degre L'Universite 'de Dejon, France.
-  HAZEL CORNELIA GRIFFIN, Department of English
B.A., Chowan College; M.S., North Carolina State; Post Grad.,
Wake Forest and University of N. C. in Department of English.
-  AUSTIN FREEMAN STAPLES, Department of Bible
A.B., Bates College; Th.M., Southern Baptist Theological
Seminary; Post Grad. for Ph.D. (ibid).
-  MRS. HALLIE TANDY STAPLES, Department of Arts and Crafts
Student under Constance Clark Willis, Art Center Association,
Louisville, three years; Special study with Juro Kubicek, Artist
in Residence, Allen A. Hite Institute (ibid); Metal Craft and
Jewelry with Nelle Peterson, Art Center Association (ibid); In-
structor for Jefferson County Adult Recreation Board, Louisville,
Ky., past two years.
-  JOSIE KEETER, Physical Education for Girls
B.A., East Carolina Teachers College.
-  MELVIN QUINTON LAYTON, Coach and Athletic Director
B.S., Wake Forest College; Physical Education Instructor in Navy.
-  HARRY J. JARVIS, Department of History and Government
B.A., East Carolina Teachers College; M.A., Peabody College.
-  MRS. HARRY JARVIS, Commercial Education
B.S., East Carolina Teachers College; Post Grad. for M.A. (ibid).

~~7~~ JOEL COOKE HOLLAND, Department of Voice
Graduate of Arthur J. Hubbard Studios and New England Conservatory of Music; Graduate of Boston University with Master Teacher's Diploma.

~~4~~ C. V. WILLIAMS, JR., Department of Mathematics
B.S., Wake Forest College.

~~B~~ MISS DOROTHY BALLENGER, Department of Music
B.M., Westminster Choir College, Philadelphia Musical Academy.

~~R~~ MRS. REEVES BRANSCOME
Graduate Reidsville Seminary. Advanced institutional training at Lewis School, Washington, D. C.

~~A~~ BENJAMIN J. MARTINDALE, Commercial Education
B.S., East Carolina Teachers College.

MUSIC COMMITTEE

Miss Dorothy Ballinger, Mr. Joel Holland, Mrs. Estelle Thigpen

Foreword

The information published herein is for a twofold purpose. First, to present an historical sketch of Chowan College and also interesting information relative to the second century of progress. Second, we are announcing specific information relative to departmental set up and annual pupil cost.

All buildings have been renovated throughout. Every effort has been made for comfort and safety in all buildings. A modern cafeteria with seating capacity of 200 is located in the East Wing. Chowan stresses friendship, fellowship, and Christian citizenship. We believe "Christian Citizenship our greatest responsibility and asset." Chowan furnishes an historical and picturesque physical background, as well as a potent spiritual atmosphere that is challenging and conducive to all who wish to learn. "Enter to learn. Depart to serve."

To our benefactors, whose earnings have been dedicated to the cause of Christian education; to our patrons, who have entrusted us with their most cherished possessions; to our students, who have impressed others by the noble lives which they have lived; and to the many friends in all walks of life who have maintained an abiding confidence in this institution, we are indebted for the continued growth of Chowan College through its century of progress. Looking to God for His continued help and guidance, we hope, with the aid of our friends, to do even better work and to make the institution an efficient agency for the uplift and training of humanity, for which our forefathers visioned and aspired.

CALENDAR 1950-51

- Sept. 11-13 Orientation for freshmen
Sept. 14 Registration for all students
Sept. 15 First Semester classes begin
Nov. 13 Mid Semester quizzes

Mar. 29-30 Mid Semester tests
Mar. 30 Spring holidays Friday, 4 p.m. to Wed., April 3,
8:15 a.m.
May 23-25 Spring Semester examinations
May 26 Class Day Exercises
May 27 Commencement Sermon
May 28 Graduation

General Information

In 1848 Baptists of the Chowan Association established the Chowan Baptist Female Institute at Murfreesboro. It supplanted the Banks School and during the first two years was conducted in the Banks school building under the direction of the Baptist denomination of the Albemarle section. The school formally opened on October 11, 1848.

From its origin, foremost teachers of the day were employed, among them being Dr. William Hooper, grandson of the illustrious William Hooper, one of the signers of the Declaration of Independence.

Surrounded by 57 acres of beautiful campus, Chowan at present consists of nine buildings. The main building, called the Columns, is a four-story structure erected in 1851. It is of classic colonial architecture constructed of brick (which were made in Murfreesboro by J. A. Jackson) and received its name because of the massive columns featured on the front.

The name of the school was changed to Chowan College in 1911. It became Co-educational in 1931 and a Junior College in 1937.

Location

Chowan College is located within the corporate limits of Murfreesboro, North Carolina. The entrance to the campus is two blocks from Main Street on the south side of highway 158. The campus and athletic fields contain a tract of 57 acres of land. The college campus is approximately 100 feet in elevation and is one mile from Meherrin River, which is navigable. The beautiful campus immediately in front of the main building is surrounded by a circular drive and through the center is the cedar lane, well lighted at all times. The winding walks, monumented with fine shade trees, shrubbery and flowers, with beautiful old pines skirting the circular drive, together with the surrounding hills and valleys, suggestive of the Piedmont area, add greatly to the beauty and attractiveness of one's environment there, and at the same time furnish recreation grounds for both faculty and students.

The climate is exceedingly healthful, quiet and favorable to study. Murfreesboro is probably one of the most cultured and historic communities in all of that area of North Carolina. The beautiful old historic homes and the beautiful new homes recently erected, give the assurance of the passers by that it is a lovely community in which to live. It would be difficult to find a community with fewer causes to

divert one's mind from study. The spirit and atmosphere in the community is all that one can ask for environmental surroundings of a college.

Murfreesboro is 65 miles from Norfolk, Va., on U. S. Routes 158 and 258. There are 23 buses daily which offer convenient schedules.

Buildings and Equipment

The Administration Building, erected in 1851, is a beautiful four-story brick and concrete building. It has a very imposing appearance due to its massive columns and broad veranda, extending its entire length. This building is used principally for classrooms, offices, parlors, literary society halls, the infirmary, and dormitory rooms.

The East Building is a commodious brick building four stories high. It houses the kitchen, dining room, library and faculty rooms.

The New Dormitory contains one of the most beautiful college auditoriums in the State, with a seating capacity of eight hundred, and a combination stage and gymnasium. This building houses dormitory rooms with new equipment, studios, practice rooms, the swimming pool, and the central heating plant.

The Science Building is a two-story frame building used by all science departments for classroom and laboratory work.

All the main buildings, except the Science Building, are connected by arcades or corridors, making it extremely convenient for students in severe weather, since they are able to go from one building to another entirely under shelter. All these buildings are well protected against fire, adequately equipped with fire escapes, and sprinkler system giving full protection to every student.

Steam heat makes all the buildings comfortable throughout the year. The four new cottages on the pine drive will accommodate 48 boys. The Scarborough building will accommodate 20 boys.

A post office equipped with modern lock boxes is maintained by the college for the convenience of the faculty and students. Mail is received and sent away three times daily; this makes the mail service as efficient as the city delivery. This branch of government work is in charge of one of the students.

Books

All books used in class work will be handled by the book store. Cash is to be paid for books when purchased.

Infirmary

The college maintains on the third floor of the Administration Building an infirmary equipped with modern hospital beds. A nurse will be on call, who will have complete charge of the infirmary under the direction of the college physician. A complete and modern diet kitchen will be installed and equipped, adjoining the infirmary rooms. Nurses in charge will be able to fix on the spot, light meals for those in the infirmary at the doctor's orders.

This provision has been made for cases of temporary illness, which are treated by the college physician with no expense to the student, other than the medical fee. In case of serious and protracted illness, arrangements will be made according to circumstances and instructions of parents, who will be responsible for additional expense incurred.

Dormitory students too ill to go to dining room or to attend to the regular college duties are expected to go to the infirmary at once.

General School Regulations

The Christian citizen at work is the standard to which every student is expected to conform. All appropriate means are used to develop and confirm a sense of personal honor and sacred regard for truth, as upon these rests the best reliance for good conduct. A few plain and reasonable rules are prescribed, and each matriculate must promise to obey them.

I. The use of profanity will be considered a violation of decent rules of conduct. It is obnoxious anywhere.

II. Drinking of wine, whiskey, and other intoxicants will not be permitted.

III. Smoking is discouraged. In social halls, classrooms, cafeteria, library and auditorium it is forbidden.

IV. All students and teachers assemble three times a week, for Chapel. This service is considered essential for the morale of the college and vital for each individual.

A record of all absences from chapel is kept by monitors and reported to the office of the Dean on the day on which they occur.

Any student having as many as four unexcused chapel absences during any semester is placed on probation, and one having as many as eight unexcused absences will have his name dropped from the class rolls and be required to withdraw from the college.

V. **CLOSED WEEK-ENDS**—The first week-end of each semester, the week-end prior to mid-term tests and final examinations. If the need arises for closed week-ends other than the ones mentioned above ample notice will be posted on the bulletin board.

VI. Students will endeavor to refrain from any conduct, either in or out of school, known to be damaging to themselves or not in the interest of the school. Students en route to and from college, on leave of absence during holidays or on any other occasion, are subject to the regulations of the college and are expected to go and return directly when leaving the campus for any reason.

VII. Occupants of dormitory rooms will be held responsible for the good order of their rooms, as well as for any damage or defacement they may sustain. Changes from one room to another may be allowed by the Dean of Women, but must not be made without her consent.

VIII. If a student destroys, defaces, or in any way damages college property, or aids and abets others in so doing, such student shall, within twenty-four hours, report the fact to the Bursar. Students will be charged pro rata for all damages not individually accounted for. This pro rata is to be taken from the contingent deposit.

IX. No clubs or societies shall be formed unless the faculty, on application made, approve the design of such association, the rule by which it is proposed to be governed, and the hours of meeting.

In the observance of these rules and in all matters not especially mentioned, the deportment of a lady and gentleman is the standard to which everyone is expected to conform. The student's sense of honor is the main reliance, and the student's word in matters touching the student's conduct may be called for at the discretion of the Dean or President. In matriculating students, the college reserves the right to require the immediate withdrawal of any student who is found to be undesirable.

Absences

Regular class attendance is expected of all enrolled students; however, each student is allowed one unexcused absence per hour credit in any course. Any unexcused absence in excess of this number will automatically give the student a grade of F on the course.

Absences are excused for the following: Illness, emergency, and representing the college.

A student desiring an excuse for any of the above must obtain an approved excuse blank from the dean on the day or days following his absence. This excuse blank must be filled in and approved by the teacher conducting the class in which the student is absent.

Unless the above regulations concerning the excuse of absences are strictly adhered to, excuses will not be granted.

When a student has been absent from chapel four times, a letter will be written to his parents informing them. The fifth absence will put the student on parole. When the student has been absent eight times, he will be asked to withdraw from school.

Religious Life

A religious atmosphere pervades the college, and the spiritual welfare of the students is one of the primary considerations. It is the purpose of the college to maintain high ideals of Christian life and devotion, so that students may be surrounded with conditions favorable to the development of spiritual life and service. This purpose pervades every department of instruction and activity. An effort is made to develop a deeper spiritual life, to create a desire for service, and to train for active Christian work. Courses in Religion are required of all students for graduation.

To this end the various organizations are given a prominent place in the college activities. Under the auspices of the B.T.U. and Y.W.A., study courses are held each year. In addition to these, there is a Life Service Band made up of students who are especially interested in Home and Foreign Mission work. Morning and Evening Watch are held throughout the year. The B.S.U. Council has general oversight of the college religious life.

Pastors of the Associations are invited frequently to visit the college and conduct the chapel exercises.

Social Life

Very pleasant social life exists among the students. The faculty regards this of the utmost importance, and makes ample provision and regulation for it.

The two literary societies give an annual reception to the student body and faculty. The B.S.U.'s give frequent socials to their members.

The literary clubs of the different departments of the college hold frequent and enjoyable gatherings.

The Athletic Association provides out-of-door sports.

Library

The library and reading room occupy the entire second floor of the East Building. The room is well lighted with windows on three

sides. Book shelves are arranged along the walls, which provides a spacious reading room.

The library contains seven thousand volumes completely catalogued according to the Dewey Decimal System of classification, and is supplied with card indexes of authors and titles, and more than twelve thousand cross reference cards.

The library is well equipped with encyclopedias, bound volumes of magazines covering a period of several decades. It also subscribes to the leading magazines of literary, scientific, musical, and artistic value, and to daily and weekly newspapers.

The library is open every day except Sunday from 8:10 in the morning until 9:30 in the evening.

The Baptist Student Union

This organization unifies and correlates the work of all the unit organizations of Baptist students under the leadership of the executive body—the Baptist Student Union Council. This council brings together the leaders of the different phases of religious life on the campus in order to plan and direct and stimulate the various activities. Through unification and correlation such as this organization affords, the life of each unit organization is intensified and benefited. The aim of the B.S.U. is to interest the students on the campus in striving to live up to the ideals set by Christ. The unit organizations of the college community under the leadership of the B.S.U. Council are the means to the accomplishment of that aim. The B.S.U. links the campus definitely with the organizations of the church. The organizations included in the B.S.U. of Chowan are: B.S.U., Sunday School, Volunteer and Life Service Bands.

Literary Societies

The two literary societies, the Alathenian and the Lucalian, have as their ultimate aim the development of the individual in public speaking. The programs consist of criticisms of authors, reviews of operas, studies of famous artists, and debates.

An inter-society debate is held each year. To this end, the Thursday nearest the 22nd of February has been designated as Society Day, to be observed as a holiday. The two societies will plan all programs, and the debate will be held in the evening as the main feature of the day. The societies meet monthly.

Student Publications

Three publications are sponsored by the student body. Valuable

experience is gained by a large staff of workers in writing, organization and administration.

THE CHOWANIAN is a monthly paper which gives the campus news, gives expression to the student thinking and helps shape campus opinions.

THE CHOWANOKA is the school annual. It gives a complete illustrated record of the year's work and student activities.

STUDENT HANDBOOK. This is a manual of the "Student Government Association". The manual is published annually and a copy furnished each student.

Alumnae Association

The Alumnae Association was organized in 1911 with the ideal of striving to advance the cause of Christian education. This association forms a strong and vital link between the college and its graduates and non-graduates. It is one of the most active and enthusiastic organizations connected with the institution. "Home-Coming Day" with its annual meeting is a feature of commencement.

The first active work of the association was the organization of Chowan Clubs in the various communities of the West Chowan Association. At present a complete card file of all former students is being prepared and plans for establishment of many local groups are being studied.

Loan Funds

The Masonic Lodge has set apart a certain amount of its funds to be distributed among different colleges of the State. Chowan College shares in this distribution. Several students have been helped and are being helped by its fund.

The Scottish Rites Masons have set aside a loan fund of one hundred dollars to aid a worthy student in Chowan College. This fund is to be designated "The Masonic Theater Educational Loan Fund of New Bern."

Veterans

Chowan College offers full cooperation in the educational program for veterans. The officials of the college will be glad to assist any veteran who wishes to make application.

The veteran should obtain a certificate of eligibility from the Veterans Administration. Certain credits may be granted for appropriate courses completed under the Armed Forces Institute.

Bookstore

A bookstore is operated by the college for the benefit and convenience of all students. All books will be purchased through the store on a cash basis. Department heads will place orders for anticipated needs so that students may be supplied at the beginning of each semester.

Self-Help Students

Chowan College is doing, and has been doing since its founding, a great deal for students unable to finance wholly their own way. This is done through such positions as working in dining room, acting as college postmistress, assisting the librarian, etc. In addition to the aforementioned, Chowan helps worthy students by scholarships. Applications for help should be made to the President as early as convenient, since the self-help positions are awarded according to the order of the applications received and according to the merits and needs of the cases.

Self-help positions should not be sought by students whose parents or guardians are able to bear their expenses.

Students who ask the college for assistance are requested to help themselves as much as possible by making application for and reserving the less expensive rooms. The college is always ready and willing to help those who help themselves.

Students awarded these self-help positions are expected to fill them to the satisfaction of the departments under which they work.

If such work is not done satisfactorily, positions may be declared vacant and awarded to other students. We have at present a small loan fund. Loans will be made to worthy students without interest until they have finished college.

Contingent Deposit

A deposit made by each student and kept in the treasury of the college until the close of the school, at which time all damage done to school property by students is charged off and the balance left returned to each student.

Medical Fee

This is paid by all college students in residence and is used to pay for medicine used by the students and also for the expense of calling a physician when the student needs him. In case of any prolonged illness, the student, of course, would be expected to take care of the cost for the doctor.

Library Fee

All students pay this fee. It is used to pay subscriptions to the various newspapers and magazines which come to the library.

Requirements for Admission

The subjects in which credit for admission may be offered and the maximum amount of credit acceptable in each subject are given in the following table:

	Units		Units
English	4	Botany	1
Latin	4	Zoology	1
Greek	2	General Biology	1
German	2	Physical Geography	1
French	2	General Science	1
Spanish	2	Economics	1
Mathematics	4	Agriculture	2
History and Civics	4	Mechanical Drawing	2
Physics	1	Woodwork, Forging and Machine Work.....	2
Chemistry	1	Household Economics	2
Bible	2	Commercial Subjects	3
Music	2		

Important: In vocational subjects not more than a total of three units will be credited. Applicants entering college must have certificates of graduation, showing a minimum of sixteen units.

EXPENSES

For Semester of 18 Weeks

(The college reserves the right to make changes in living expenses with proper notice to parents, if radical changes occur.)

Tuition	\$ 45.00
Matriculation (includes registration, library, publications, athletics, literary societies, medical, limited; concerts and entertainment)	\$ 32.50
Annual Fee (first semester only).....	\$ 10.00

ROOMS

Girls—Main and East Buildings.....	\$ 50.00
Boys—Cottages	\$ 50.00
Scarborough Building	\$ 40.00

Additional rooms for boys may be obtained in the Town of Murfreesboro at reasonable rates.

BOARD

A modern cafeteria, operated by the college, is well equipped to accommodate the entire student body. Day students may buy meal tickets at current rates.

Minimum charges for boarding students.....	\$125.00
--	----------

OTHER FEES

Biology 101-102	\$ 5.00
Biology 224	\$ 7.50
Biology 225	\$ 10.00
Botany 222-223	\$ 2.50
Chemistry 101-102	\$ 5.00
Organic Chemistry 221-222	\$ 8.00

(A contingent fee of \$5.00 per year is charged to cover breakage in each course in Chemistry. A refund, if any be due, will be made at the end of the year.)

Typing	\$ 7.50
Office Machines	\$ 7.50
Piano Lessons—Two classes per week.....	\$ 36.00
Piano Practice	\$ 5.00
Voice Lessons—Two classes per week.....	\$ 36.00
Voice Lessons—In class of six, two hours per week.....	\$ 9.00
Music Appreciation—In class of six or more, two hours per week, each	\$ 4.00
Voice Methods—In class of six or more, two hours per week, each	\$ 4.00
Harmony in Hymnology—In class of six or more, two hours per week, each	\$ 4.00
Art	\$ 40.00
Crafts	\$ 20.00
Books, estimated—First Semester	\$ 20.00
Second Semester	\$ 15.00

METHODS OF ADMISSION

1. **BY CERTIFICATE.** Graduates of accredited high schools are admitted on certificate of the proper school official. The certificate may not be submitted by the student. It is important that the certificate of high school credits reach the college early in order that all correspondence relating to the application may be completed some weeks before the opening of the next session. Certification blanks for high school records may be obtained on application to the Registrar.

2. **BY EXAMINATION.** All scholarship requirements may be met by examination at the opening of the session for applicants who present satisfactory evidence that they have completed the equivalent of the work required for graduation in an accredited four-year high school.

3. **BY SPECIAL PERMISSION.** A student twenty-one years of age or above and of high purpose may be approved by the Dean and allowed to take Junior College studies without certificate or examination. Such a student will be classified as "Special". Credits thus earned will be recorded but not transferred.

Murfreesboro Baptist Church

REGISTRATION

An applicant for admission by certificate should file a certificate signed by an authorized official of the school from which he comes at least ten days before the opening of the session. Registration will not be granted without credentials from the school previously attended.

Electives should be chosen after consultation with the Dean to meet the requirements of the higher institution one will attend and in view of one's chosen vocation.

No student will be allowed to take more than eighteen hours, nor fewer than fifteen hours, without special permission of the Dean and the Registrar. There will be a charge of \$3.00 for each semester hour in excess of eighteen hours per semester. This permission is also dependent on the grade of work done by the student during the previous semesters.

Working students may have deducted from their schedule one semester hour for each regular hour of outside work unless grades warrant taking the full schedule.

By "hour" is meant a subject recited once a week for a semester. Two hours of laboratory count one hour of recitation.

Withdrawals

Students leaving college after the first 10 days of college life, will not be refunded any money that may have been deposited, unless such withdrawal is sanctioned by college authorities.

Change of Course

A course may be added within two weeks or a course may be dropped within two weeks after registration by obtaining proper card from the Registrar's office and securing thereon the signature of the instructor concerned and the signature of the Dean.

No credit will be allowed on any course for which the student has not duly registered. The grade of the student who quits a course without permission of the Dean, the Instructor, and the Registrar is recorded officially as "failure". Official withdrawal is indicated by "withdrawal".

Honor Roll

At the close of each semester the grades of all students are tabulated. Regular students making a grade of 95 or above on all credit courses are entitled to a place on the first honor roll. Regular students

making a grade of 90 or above on all credit courses and not included in the first honor roll are entitled to a place on the second honor roll.

Those students making the first honor roll may be accorded certain special privileges. They will be listed "Scholastic Honor Roll."

Transcripts

Every student is entitled to one official transcript of his work provided all accounts with the college are satisfactorily arranged. Those requesting additional transcripts should enclose \$1.00 for this service.

Diplomas

Diplomas are awarded to those who satisfactorily complete the full course outlined in the catalogue. It is the aim that a diploma shall represent good moral character as well as true scholarship. Degrees are, of course, not conferred, but Junior College graduates receive the title, "Associate in Arts."

At least one year of study in this institution will be required for graduation.

ART

Drawing 101. Fundamental principles of drawing and composition. Perspective studies, contour drawing and pencil sketching. Studio and outdoor problems. Media: Charcoal, pencil and pastels. Six studio hours per week.

Painting 102. Study of composition through line, value, colors, texture and space with various media. Emphasis on water color and oil painting. Prerequisite: 101 or its equivalent. Six studio hours per week.

Oil Painting 201. Still life, landscape and fundamentals of oil painting. Studio and outdoor problems. Prerequisite: 101 and 102 or their equivalent. Six studio hours per week.

Jewelry and Metal Crafts. For interested adults in this community. Students will be accepted if regular schedule will permit. Principles of design will be taught. A course in the execution of the designs for rings, pins, bracelets, buckles, and buttons will be offered. Trays, bowls and other metal craft articles will also be made. Three hours one evening each week. (\$20 per semester.)

BUSINESS EDUCATION

Typewriting. 101. Required of all business education majors. Mastery of keyboard by touch method, technique of machine operation. Instruction in typing manuscripts and centering problems. Speed: 30 words a minute. Three hours a week and laboratory. Credit, two semester hours. Laboratory fee \$5.00.

Typewriting. 102. Required of all business education majors. A continuation of Business Education 101. Business letter writing and other business forms. Speed: 50 words a minute. Three hours a week and laboratory. Credit, two semester hours. Laboratory fee \$5.00.

Office Machines. 107, 108, 109. Technique of operation, care of machine, and skill in operation of machines found in modern offices. One hour a week for each. Credit, three semester hours. Laboratory fee required.

Introduction to Business. 110. Designed to give the student essential familiarity with business environment in which he lives. Survey of business principles and practices. Three hours a week. Credit, three semester hours.

Shorthand. 120. The Functional Method of the Gregg Simplified Method used. Reading skills developed, followed by writing skills. Five laboratory hours a week. Credit, three semester hours.

Shorthand. 121. Gregg simplified dictation given. Development of skill of taking new matter dictation. Transcription at the typewriter. Speed: 80 words a minute. Prerequisite: Business 100 and 120. Five laboratory hours a week. Credit, three semester hours.

Salesmanship. 133. Psychology of selling and advertising, problems of employers, sales talks, customers, sales interest are studied. Demonstrations by successful salesmen; field trips. Three hours a week. Credit, three semester hours.

Advanced Typing. 201. Practice to develop speed and accuracy. Speed: 60 words a minute. Three hours a week and laboratory. Credit, two semester hours. Laboratory fee \$5.00.

Accounting. 211. The following topics discussed: the statements, ledger accounts, trial balance, work sheet, credit transactions, special journals and ledgers, periodic summary, and the voucher system. A workbook used for laboratory. Three hours a week and three hours laboratory. Credit, three semester hours.

Accounting. 212. A continuation of Business Education 211. The partnership, corporation, and specialized accounting studied. Practice sets used for laboratory. Three hours a week and three hours laboratory. Credit, three semester hours.

Shorthand. 220. Practice in reading and dictation with emphasis on transcription. Speed: 100 words a minute. Three additional hours of typewriter transcription. Prerequisite: Business Education 102 and 121. Credit, three semester hours.

Shorthand. 221. Continuation of Business Education 120. Prerequisite: Business Education 120. Speed: 120 words a minute. Three additional hours of typewriter transcription. Credit, three semester hours.

Office Management. 222. Practical study of business office situations. Machine dictation and transcription. Filing instruction. Three hours a week. Credit, three semester hours.

○

ENGLISH

Composition. 101-102. Study of the principles of and intensive practice in written composition; weekly themes; research paper; frequent conferences; introductory acquaintance with types of literature with emphasis on composition and appreciation; directed supplementary readings and reports. Required of freshmen. Three hours a week. First and second semesters. Credit, six semester hours.

English Literature. 201-202. Historical survey of English literature from beginning to 1900 with emphasis on representative authors. Lectures, class discussions, short research papers, parallel readings. Required of sophomores. Prerequisites: Composition 101-102. First and second semesters. Credit, six semester hours.

○

MATHEMATICS

College Algebra. 101. A review of elementary Algebra followed by College Algebra, including the following topics: linear equations, factoring, fractions, exponents and radicals, quadratic equations, systems of equations involving quadratics, ratios, proportions, variations, progressions, mathematical induction and binomial theorem, complex numbers, theory of equations, inequalities, determinants, permutations and combinations, partial fractions, and infinite series. Prerequisites: One and one-half years of high school algebra. Three hours per week. Credit, three semester hours.

Trigonometry. 102. A study of logarithms, the trigonometric functions of angles, trigonometric relations, and trigonometric formulas. Includes practical exercises. Prerequisites: Math. 101 or equivalent. Three hours per week. Credit, three semester hours.

Solid Geometry. 115. A study of figures in space. An elective for students who did not have this course in high school. Required of

Math. majors and minors. Includes practical problems. Prerequisite: Math. 101 and 102. However, may be taken in freshman year by students exhibiting a good background in high school mathematics. Three hours per week. Credit, three semester hours.

Plane Analytic Geometry. 221. Fundamentals of Analytic Geometry. A study of the coordinate system, straight line, circle, conic sections, equations, polar coordinates, higher plane curves, tangents and normals and graphs of functions and equations. Prerequisites: Math. 101 and 102. Three hours per week. Credit, three semester hours.

Introductory Calculus. 222. This course attempts to give the student a background in the elements of both Differential and Integral Calculus. Recommended for students who plan to pursue the fields of Chemistry, Physics, Engineering, or Medicine, and is required of students who plan to major in Mathematics. Prerequisites: Math. 221. Three hours per week. Credit, three semester hours.

Deficiency Courses

Algebra 1d. A course in advanced high school algebra for those students who did not have a minimum of one and one-half years of high school algebra. Three hours per week. No college credit.

Plane Geometry 2d. A course required of all liberal arts students who did not have this course in high school. Three hours per week. No college credit.

MUSIC

Piano. This course is designed to give the students a solid foundation in musical theory and piano technique and to acquaint them with standard piano repertoire from the time preceding Bach to the present. The development of each student's individual ability is carefully supervised in private lessons and musical selections will be stipulated according to his personal needs. Scales and arpeggios, sight reading and memorization are stressed. Credit, one semester hour.

Voice. A study of the art of singing including posture, breath control, phrasing and interpretation. Songs and arias of the Classic, Romantic and Contemporary periods. Credit, one semester hour.

Music Appreciation. 101. An introduction to the Symphony Orchestra and a study of the instruments which comprise it. Background and analysis of some major symphonic works. Study of recordings by outstanding orchestras. Credit, two semester hours.

Music Appreciation. 102. History and analysis of music. Relationship of developments in music to developments in general history. Distinguishing features of musical periods and individual composers. Continuation of study of recordings. Credit, two semester hours.

PHYSICAL EDUCATION

GIRLS

P.E. 101. Skills and Techniques. A basic course consisting of vigorous activities, individual and team games organized to meet individual needs. Required of all first semester freshmen. Credit, one semester hour. (Fall semester.)

P.E. 102. Rhythms and Folk Dancing. This offers an opportunity for the student to learn the fundamental folk and national rhythms; to learn the customs, dress and folklore of many countries. Credit, one semester hour. (Both semesters.)

P.E. 103. Tumbling and Softball. Credit, one semester hour. (Winter semester.)

P.E. 104. Speedball and Soccer. The fundamental skills and technique of mastering the games will be the purpose. Two hours per week. Credit, one semester hour. (Fall semester.)

P.E. 105. Badminton and Tennis. Two hours per week. Credit, one semester hour. (Winter semester.)

P.E. 106. Volleyball and Basketball. Two hours per week. Credit, one semester hour. (Fall semester.)

P.E. 107. Swimming.

Health Ed. 101. Personal Hygiene. A course designed to give the student a general knowledge of the body that will result in a more wholesome life for the student. Required of all Freshmen, both semesters. Three hours per week. Credit, two semester hours.

BOYS

P.E. 110. Golf, Handball. Credit, one semester hour.

P.E. 111. Gymnastics, Tumbling. Credit, one semester hour.

P.E. 112. Beginning Swimming. Credit, one semester hour.

P.E. 113. Advanced Swimming. Credit, one semester hour.

P.E. 114. Badminton, Tennis. Credit, one semester hour.

P.E. 115. Volleyball, Touch Football. Credit, one semester hour.

PSYCHOLOGY

Psychology. 201-202. General Psychology. This course is a survey of the methods of psychology, problems, principles and methods. The study leads to advanced work in psychology. It serves as an introduction to liberal education. "Child Adolescent Psychology" 202 will follow for second semester. Three hours per week. Credit, six semester hours.

RELIGION

New Testament. 101. The Life and Teachings of Jesus Christ. This course is an intensive study of the life and teachings of Jesus. The sayings and parables of Jesus are studied in relation to present conditions and world relations. Credit, three semester hours.

New Testament. 102. The Life and Letters of Paul. This course is designed to study the spread of Christianity and its growth as recorded by the Acts and the Letters of Paul according to historical development. Credit, three semester hours.

Old Testament. 201. Old Testament History. The student is led to study the historical material as it is recorded in the Bible. Much consideration is given to the history of surrounding nations, especially Egypt, Syria, Assyria, Babylonia and Persia. Prerequisite: New Testament 101-102 or their equivalent. Credit, three semester hours.

Old Testament. 202. The Prophets. The prophets are studied chronologically and their message examined. The student is required to become familiar with the best books on Israel's prophets. Credit, three semester hours.

ROMANCE LANGUAGES

French. 1-2. Elementary. For those with no previous study of the language. Fundamentals of grammar. Simple composition. Constant training in pronunciation based on phonetics. Simple readings during second semester. Credit, six semester hours.

French. 101-102. Intermediate. Two years of high school French or French 1 and 2 required. Rapid review of grammar, idiomatic constructions, and vocabulary based on readings of selected authors. Frequent dictations and some conversational French during second semester. Three hours per week. Credit, six semester hours.

French. 201-202. Introduction to Literature. Rapid review of most difficult parts of grammar. Survey of French Literature from Chanson de Roland to eighteenth century with particular emphasis upon seventeenth century selected texts read from literary and linguistic point of view. Three times per week. Credit, six semester hours.

SCIENCE

Biology. 101, 102. General Biology. An introductory course in which the fundamental facts of the structure and activity of plants and animals are stressed. The laboratory work will consist of the study of important biological principles, and the study of representatives from the plant and animal kingdoms. Two hours lecture, four hours laboratory. Laboratory fee required. Credit, eight semester hours.

Biology. 115. Anatomy and Physiology. Lectures and readings in human physiology and anatomy. Two hours per week. Credit, two semester hours.

Biology. 221. Invertebrate Zoology. A study of the invertebrate animals from the standpoint of their taxonomy, morphology, physiology and phylogenetic relationships. Prerequisite: Biology 101, 102. Two hours lecture, four hours laboratory. Laboratory fee required. Credit, four semester hours.

Biology. 222. Comparative Anatomy. A comparative study of the anatomy of chordate animals. Study and dissection of type forms in the laboratory. Prerequisite: Biology 101, 102. Two hours lecture, four hours laboratory. Laboratory fee required. Credit, four semester hours.

Biology. 225, 226. General Botany. A study of the taxonomy, physiology, and morphology of plants. A survey of the plant kingdom. Prerequisite: Biology 101, 102. Two hours lecture, two hours laboratory. Laboratory fee required. Credit, eight semester hours.

Chemistry. 101, 102. General Chemistry. An introductory course emphasizing fundamental knowledge and practice. Three hours lecture, two hours laboratory. Laboratory fee required. Credit, eight semester hours.

Chemistry. 221, 222. Organic Chemistry. A survey of the chemistry of aliphatic and aromatic organic compounds. Prerequisite: Chemistry 101, 102. Three hours lecture, six hours laboratory. Laboratory fee required. Credit, twelve semester hours.

Additions:**BUSINESS EDUCATION**

Business Law. 230. Includes the discussion of law under the following topics: Contracts, Sales, Bailments, Negotiable Instruments, Law of Employment, Partnerships, Corporations, Risk-bearing Devices, Property, and Criminal Offenses. Three hours per week. Credit, three semester hours.

ENGLISH

Journalism. 115. An elementary course in the practice of news writing, including a study of the feature story, the editorial, and newspaper make-up. The purpose of the course is to train students for the school paper staff and for school publicity. The course will be offered in the fall semester. Two hours per week. Credit, two semester hours.

PHYSICAL EDUCATION**BOYS**

Physical Education 101 and 102 are required of all freshmen. All other courses in the boy's physical education are electives. Participation in a major sport—football, basketball, baseball—may be substituted for one course in physical education.

Physical Education. 101, 102. Basic courses consisting of conditioning activities of low and high organization, vigorous individual and team games to develop fundamental skills according to the needs of the individual. Three hours per week. Credit, one semester hour.

PSYCHOLOGY

Psychology. 221, 222. Advanced studies in psychology. Offered on demand. Three hours per week. Credit, three semester hours per semester.

SOCIAL SCIENCE**HISTORY**

World History. 101. A survey of history from the ancient times to the Renaissance; emphasis on major civilizations and developments such as empires of Greece and Rome, the Crusades, etc. Credit, three semester hours.

World History. 102. A continuation of World History 101. Includes a study of the Renaissance, the growth of nationalism, the Reformation and other major developments through World War I. Credit, three semester hours.

American History. 203. United States History from the first settlement to 1850. Parallel reading, oral and written reports required. Credit, three semester hours. Prerequisite: History 101 and 102.

American History. 204. United States History from 1850 to present day. Parallel reading, oral and written reports required. Credit, three semester hours. Prerequisite: History 203.

SOCIOLOGY

Sociology. 100. An introduction to the principles of sociology, the structure and function of society, the control and adjustment of our social institutions in society. Credit, three semester hours.

GOVERNMENT

Government. 204. The National Government of the United States. A course in the problems of American citizenship with a study of the actual working of the American Government. Parallel reading, oral and written reports required. Credit, three semester hours.

Government. 205. A study of the state and local governments in the United States. Emphasis on government in North Carolina and neighboring states.

REQUIREMENTS FOR GRADUATION

9. No student will receive a certificate in the one-year terminal or business course unless he has merited 30 quality points and 30 semester hours of credit, exclusive of physical education.

HOME ECONOMICS

Courses in Home Economics will be offered if a sufficient number of students desire to register for same during the first and/or second semester.

FACULTY (Addition)

MRS. DORIS ABBOTT WALKER, Librarian

A.B. in Library Science, Woman's College, University of North Carolina.

REQUIREMENTS FOR GRADUATION

1. In order to receive a diploma upon satisfactory completion of two years of work a student must have obtained 60 semester hours of credit in college work, not including Physical Education.
2. Because of the requirements for graduation from four-year colleges, no student will be certified to higher institutions whose grades have not merited 60 or more quality points exclusive of Physical Education.
3. All college fees must be paid up in full, or arrangements made with the Bursar, before students receive final reports or graduate.
4. In order to receive a diploma, one must have been enrolled at least two semesters of 18 weeks each.
5. Student must have recommendation of worthiness from each instructor under whom as much as two full semester courses were taken.
6. A faculty committee on graduation will examine the record in January or February each year of every second year student. The student will be notified whether or not anything on the record needs clearing up.
7. For graduation in the two-year course, at Chowan College, six (6) hours of Bible is required before receiving a diploma.
8. Before receiving a certificate in the one-year terminal or business course, three (3) hours or one semester in Bible is required.

QUALITY POINT SYSTEM

Students are awarded quality points on the following basis:

A—three quality points per hour credit.

B—two quality points per hour credit.

C—one quality point per hour credit.

D—no quality points per hour credit.

F—no quality points and no hours.

In order for a student to meet the requirements for graduation, he must have taken the prescribed courses and have obtained a minimum of 60 hours credit and 60 quality points, exclusive of Physical Education and non-theory courses.

PRE-BUSINESS ADMINISTRATION

A two-year course leading to the Associate in Arts diploma. This course is designed for those students who plan to transfer and work toward a degree in Business Education or Business Administration.

GENERAL SECRETARIAL (Two-Year Terminal)

A two-year course designed for those who do not plan to transfer and work towards a degree. It spreads business courses over a less concentrated area than the one-year secretarial course and offers practical courses in general education in addition. Upon completion of this course students will receive the Associate in Arts diploma.

†Elective		†Elective	

†It is required that the pre-medical student have a minimum of Biology 101-102 and Chemistry 101-102 during his first two years. Further, it is strongly suggested that he take some advanced work in Sciences, and chooses some elective courses in social sciences, mathematics, and psychology.

*If the student prefers to pursue his foreign language studies in his freshman year, he may continue it his sophomore year by allowing his history course to take the place of the elective.
